            <button class = 'newacc'>Create New Account</button>
        </fieldset>
    </form>
</body>
</html>
```

## Output:

# facebook

Facebook helps you connect  
and share with the people in  
your life.

The form is a white rectangular box with a subtle drop shadow. It contains the following elements from top to bottom: a text input field with the placeholder 'Email address or phone number', another text input field with the placeholder 'Password', a blue button with the text 'Log In', a text link 'Forgotten Password', and a green button with the text 'Create New Account'.

|                               |
|-------------------------------|
| Email address or phone number |
| Password                      |
| Log In                        |
| Forgotten Password            |
| Create New Account            |
